

Limited Warranty

All products manufactured and sold by Fleetline Products Inc. are guaranteed to be free of defects in workmanship and materials for a period of one (1) year from date of installation. All Fleetline products must be installed using only Fleetline supplied mounting kits and brackets. All tandem and half fenders must use a properly secured center bracket to avoid cracking. Any use of mounting hardware and brackets of another make to mount Fleetline products, or any modification of a Fleetline product will render the Fleetline guarantee void. Fleetline assumes no responsibility for the cost of installation or removal.

Exceptions to this limited warranty are as follows: cleaning with anything other than soap and water; damage and dents from road hazards are not covered; misuse or accidental impact damage is not covered; damage caused by corrosive materials is not covered.

Any materials to be considered for warranty must be returned to Fleetline Products Inc. in Springfield, TN; freight prepaid, for inspection, with an approved Fleetline Returned Goods Authorization. This warranty is good only for the original end-user of Fleetline products.

General Information

Stainless Steel Fender Care and Maintenance

Fleetline strongly recommends washing your fenders with water only. If detergents are necessary do not use anything stronger than a mild soap and water. When wiping and buffing your fenders we recommend using a soft, clean cloth making sure to wipe in the direction of the grain; do not buff in a circular fashion as this could cause damage to the surface.

Placing Orders

- Email order to CustSvc@FleetlineProducts.com
- Fax order to Fleetline Customer Service @ 888-215-7036
